

"The Killers meets Pat Benatar" Female Fronted NY Indie Rock Debut album - *Ballad Nerd Pop*:

"Harder than the Killers and tighter than Pat Benatar ever was. Pure post-punk energy with a melodic heart."

- MTV World

"They're like The Killers, early No Doubt, and The Bravery with a touch of Sublime. What else could you ask for!?"

- Sirius Radio

"Embody the defiance and joie de vivre that define rock music."

- Rollingstone.com
